

**STREAM TRAIL**

**LANDBRIDGE SERIES**

# ABOUT STREAM TRAIL

LandBridge was developed for busy and active businesspeople using their precious comments and opinions based on their real experiences. It is the best for people who have meetings outside more than twice a day, who go on business trips more than once a month, and who have oversea trips more than three times per year. Attached to the bag are two mountains sitting close to each other. This image implies that lands which used to be far from each other are getting closer and are becoming bridged, and this image is where the name of series comes from.

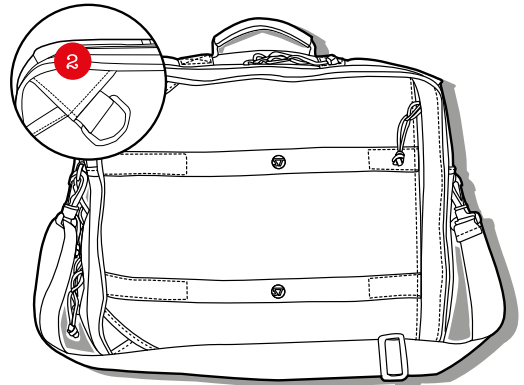

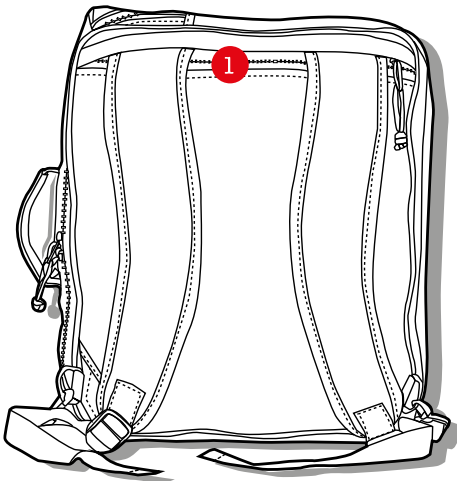

## Tactical Organizer

**Material** : 1680D Polyester

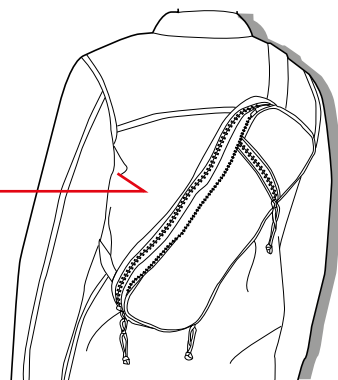

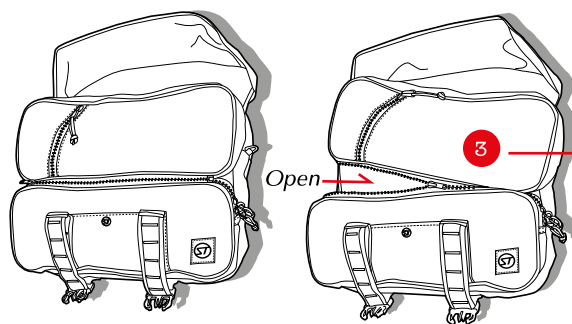

**Size** : W420 x H370 x D150 mm

**Color** : ●

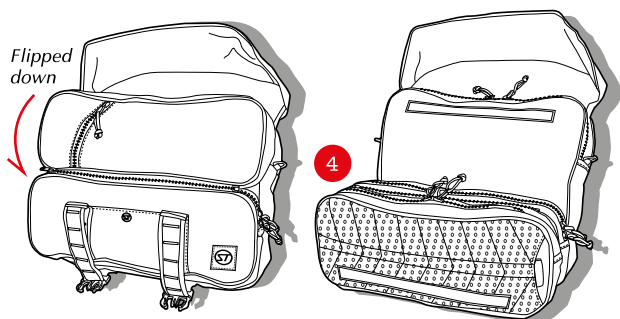

Busy business travelers will love this multifunctional business bag. Its capacity is suitable as a daily business bag or for a short business trip. A front pocket of the bag is detachable and can be used as a single bag to keep your necessities when walking around the town during free time. It is a signature model of the Land-Bridge series.

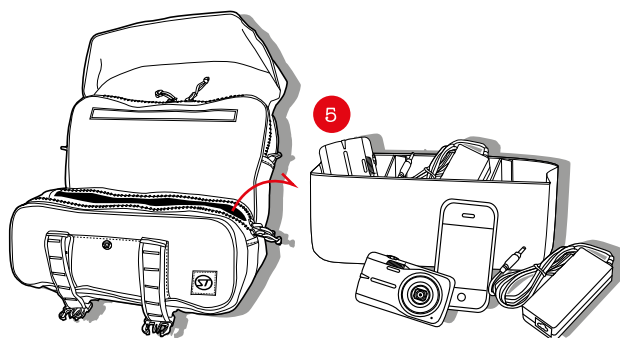

- 1 2 It can be used as a backpack, while the straps and D-rings are smartly kept on the backside when used as a briefcase.

- 3 The detachable upper front pocket can be used separately as a cross-body bag.

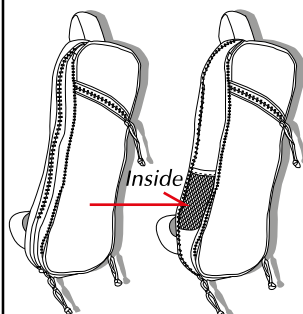

- 4 The upper front pocket can be flipped down to add firmness when leaving the bag on the floor.

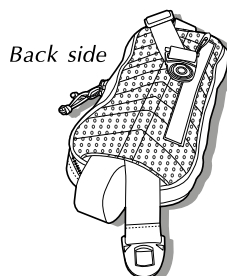

- 5 The lower front pocket comes with a cushioned inner sleeve. The inner sleeve is detachable and its two partitions are adjustable.

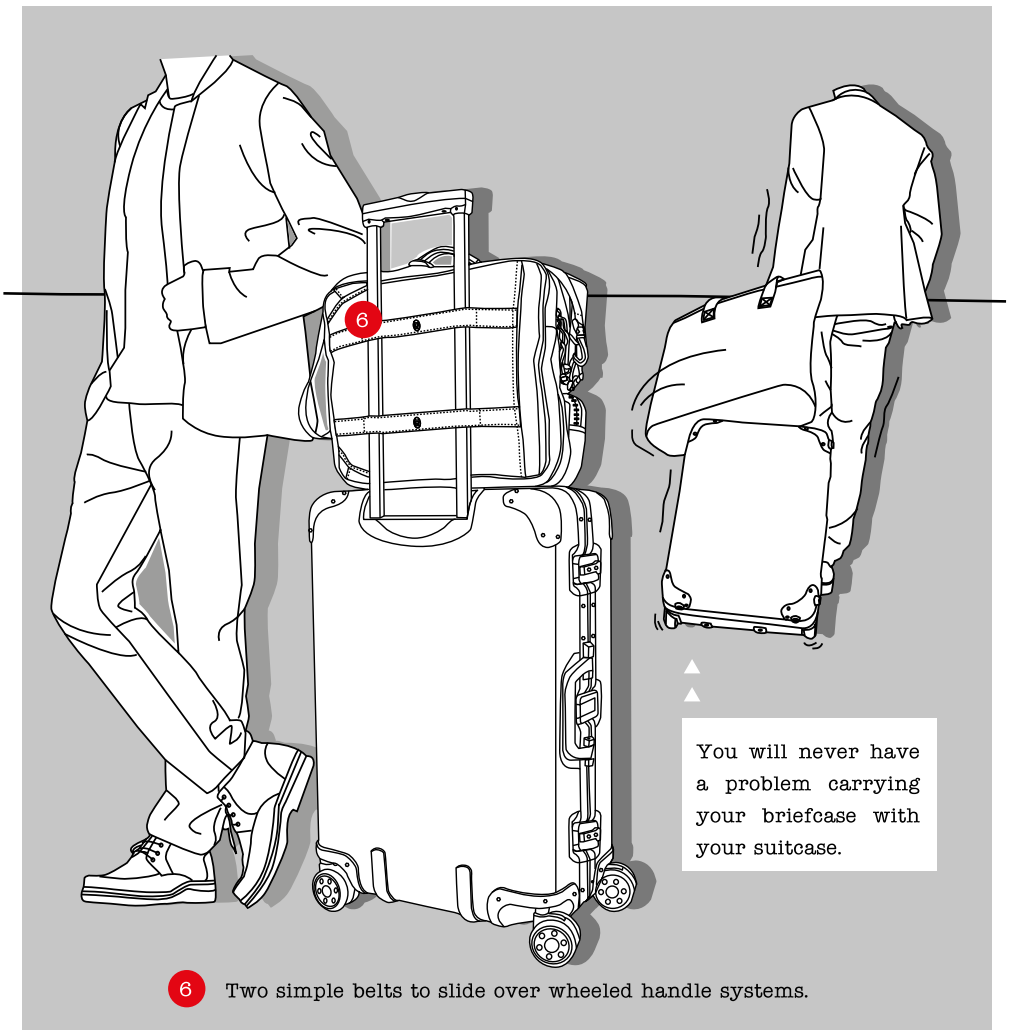

## Cross-Body Bag

Two simple mesh pockets inside to keep small items.

The shoulder straps can be smartly kept when attached to main bag

### 3 Styles

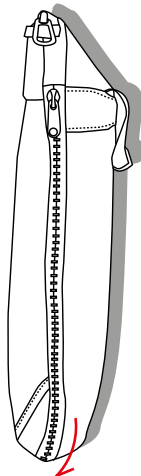

## Cosmic

**Material** : 1680D Polyester

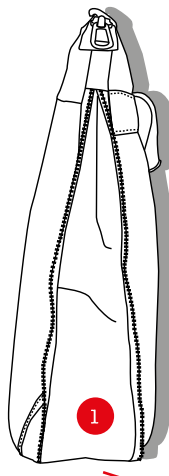

**Size** : W420 x H440 x D40-110 mm

**Color** : ●

It is a multi-functional bag for busy businesspeople. Inspired from a Government Issue helmet bag of the US Air Force, it beautifully transformed its appearance to be an urban style business bag. The functions that the Cosmic can provide will satisfy all your needs. It is even designed for "just-fit" for A3 documents.

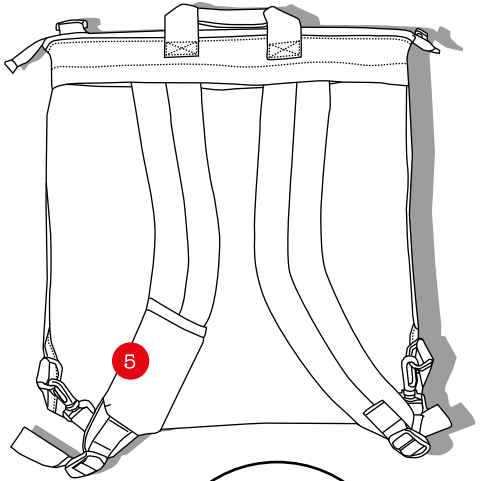

Open

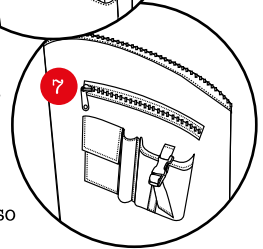

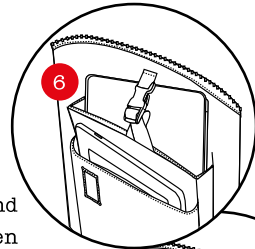

Expand

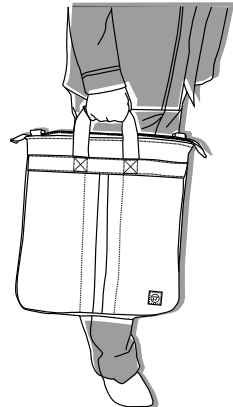

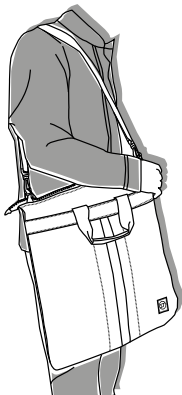

- 1 The main compartment can be expanded and even a helmet can be stored in it, which was its original purpose.
- 2 A secret pocket inside.
- 3 4 It can be used as a backpack, while the straps and D-rings are smartly kept on the back side when used as a briefcase.
- 5 A pocket on the shoulder strap keeps your mobile phone or compact camera.
- 6 Cushioned laptop and tablet sleeve inside the bag.
- 7 There are pockets for a wallet, pen and smart phone inside so you can readily respond to any situation.

### 3 Styles

## Tool Carrier

**Material** : 1680D Polyester

**Size** : W390 x H270 x D210 mm

**Color** : ●

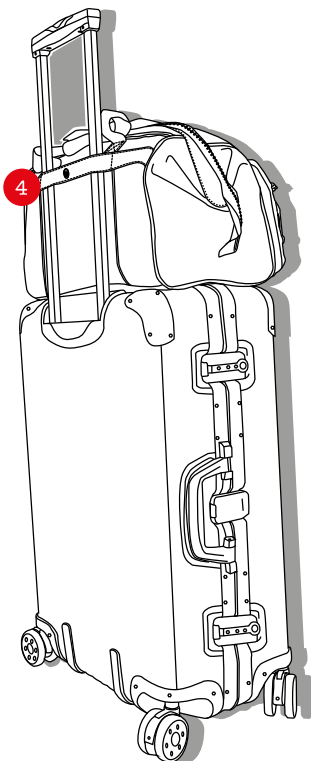

This multiple-purpose bag was inspired by a tool bag used by American carpenters and was re-designed to match the demands of a modern lifestyle. Its shape is carefully designed by ergonomics specialists to be comfortably carried on your shoulder. As the body itself is cushioned, you can carry your laptop or tablet easily. Equipped with many pockets, you can keep your belongings organized.

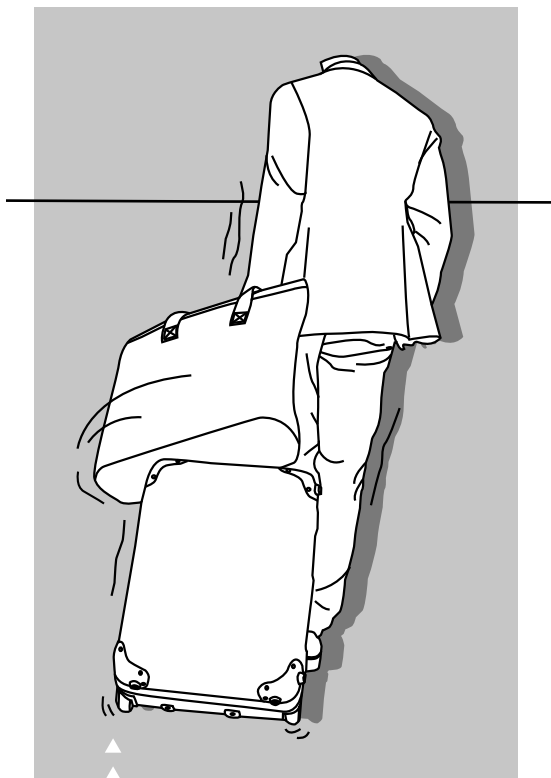

- 1 Small belongings fit in the front pockets.
- 2 Clothing and shoes fit in the main compartment.
- 3 Small laptop, tablet or documents can be placed in the cushioned back pocket.

- 4 To comfort busy business travelers, there is a simple belt that slides over wheeled handle systems.

You will never have a problem carrying your briefcase with your suitcase.

## 2 Styles

## Backpack

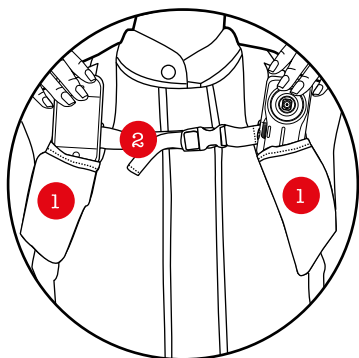

**Material** : 1680D Polyester

**Size** : W300 x H430 x D150 mm

**Color** : ●

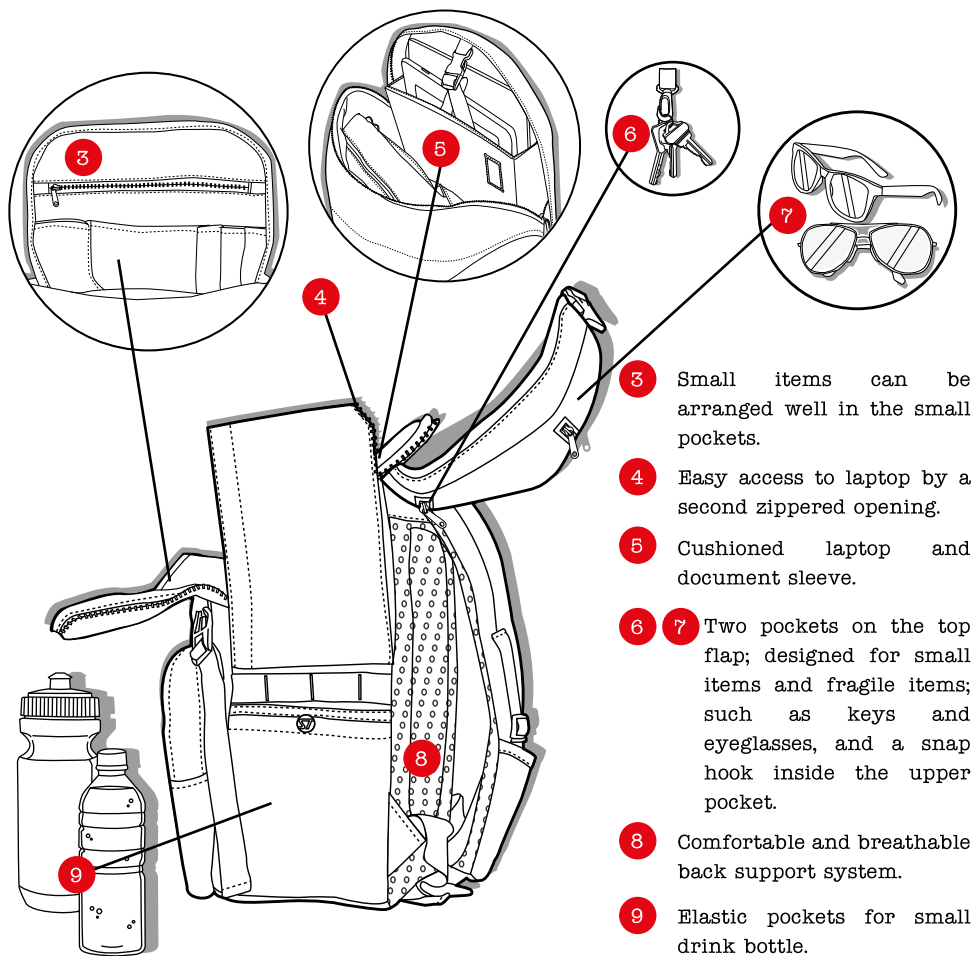

While keeping an authentic alpine style backpack shape, it is successfully modified to accommodate all the needs of modern city users. There is a cushioned compartment for a laptop or a tablet with a separate zippers - open - mouth for easy access to such devices. You can also keep your mobile phone, compact camera, or compact audio device in the small pockets on the shoulder straps.

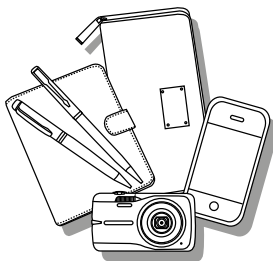

1 Elastic pockets on both shoulder straps provide easy access to your mobile phone, compact camera or small items.

2 Front belt holds the backpack firmly

- 3 Small items can be arranged well in the small pockets.
- 4 Easy access to laptop by a second zippered opening.
- 5 Cushioned laptop and document sleeve.
- 6 7 Two pockets on the top flap; designed for small items and fragile items; such as keys and eyeglasses, and a snap hook inside the upper pocket.
- 8 Comfortable and breathable back support system.
- 9 Elastic pockets for small drink bottle.

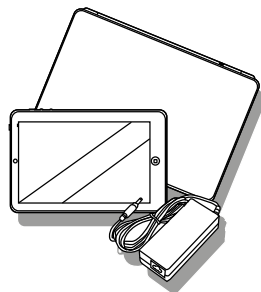

### *For Business Travelers and City Users.*

For mobile phone, compact camera, pen and notebooks.

Clothing for a several-day trip.

Laptop, tablet and electrical devices.

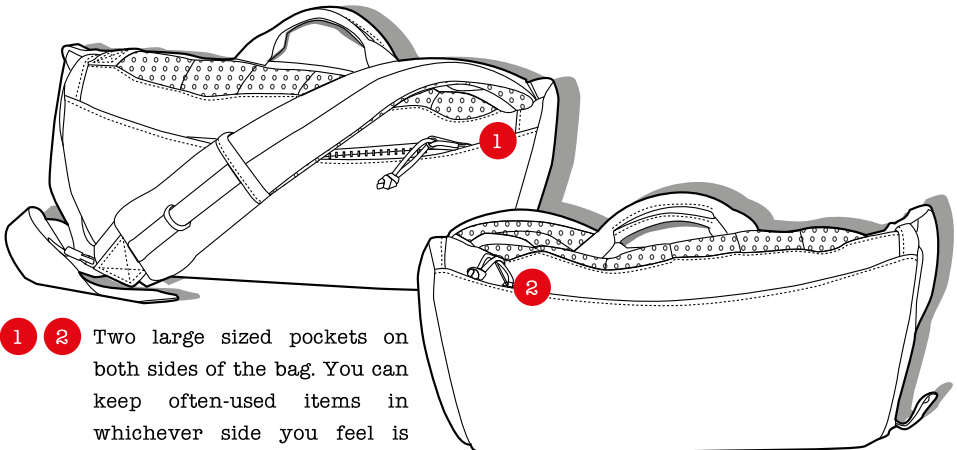

## Quonset

**Material** : 1680D Polyester

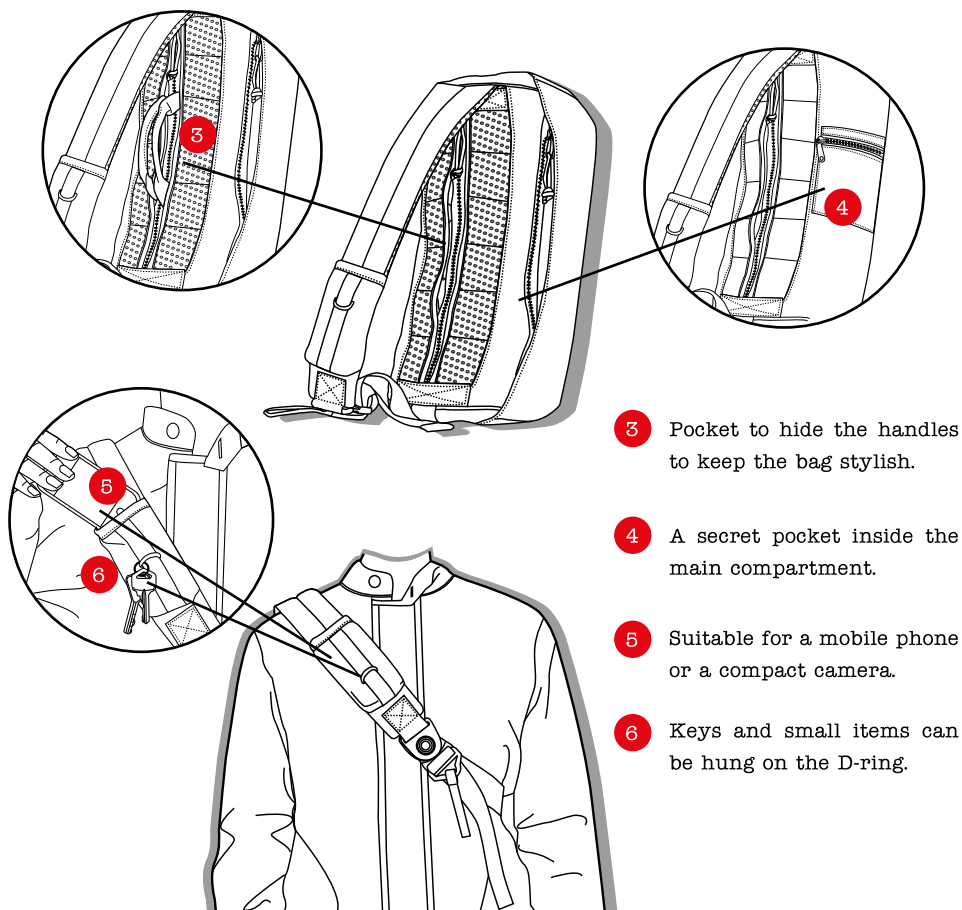

**Size** : W230 x H430 x D200 mm

**Color** : ●

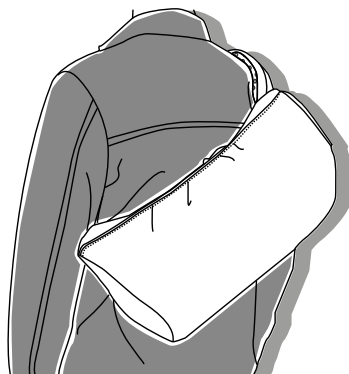

This unique cross-body bag is banana shaped to fit comfortably to your body. When you wear the Quonset, others won't know where the mouth of the bag is. It can be used as a handbag when you want to keep it in your hand. Though being very compact, there are various sizes of pockets so that you can keep your small important belongings well organized.

- 1 2 Two large sized pockets on both sides of the bag. You can keep often-used items in whichever side you feel is easiest to access.

## 2 Styles

## Big Hip

**Material** : 1680D Polyester

**Size** : W340 x H245-390 x D170 mm

**Color** : ●

During sightseeing tours, factory visits, or even at airport check-in counters, there are many situations for which you need to use both hands freely. Big Hip provides you with a perfect solution with its large capacity and well considered pockets to organize your belongings within the bag. Capacity of the Big Hip can be expanded to carry A4-size documents and laptops.

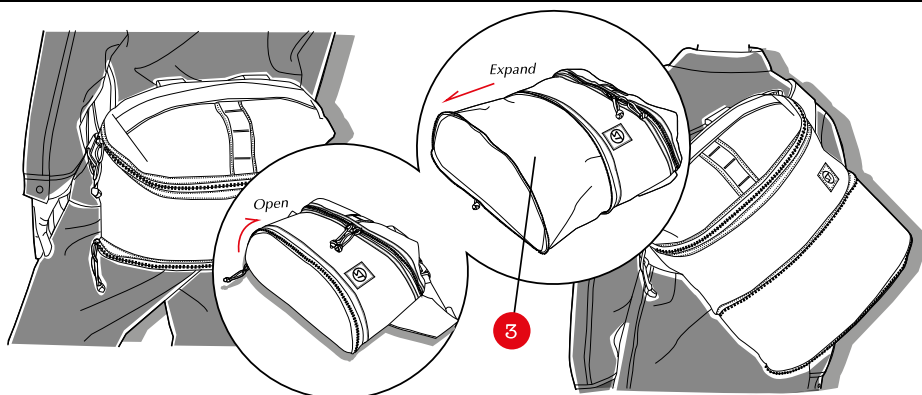

1 Inner pockets in the main compartment consist of one big pocket with a zipper, two small pockets with Velcro tapes, and two penholders.

2 A snap hook inside the top pocket to hang wallet or key chain.

3 Able to expand the main compartment 150% by opening bottom zipper.

## 2 Styles
